The suicide of Jean-Luc Brunel, who abused me and countless girls and young women, ends another chapter. I'm disappointed that I wasn't able to face him in a final trial to hold him accountable, but gratified that I was able to testify in person last year to keep him in prison.

I'm pleased with Judge Kaplan's ruling yesterday that allows my case against Prince Andrew to go forward. I'm glad I will have the chance to continue to expose the truth & I am deeply grateful to my extraordinary legal team. 1/3

Their determination helps me seek justice from those who hurt me and so many others. My goal has always been to show that the rich and powerful are not above the law & must be held accountable. 2/3

My soul yearned for justice for years and today the jury gave me just that. I will remember this day always.

Having lived with the horrors of Maxwell's abuse, my heart goes out to the many other girls and young women who suffered at her hands and whose lives she destroyed.
